

Drive-In Service of Holy Communion Sunday at Good Shepherd

Where:

FAB Parking Lot. Enter from Hanson Avenue only. An assistant with gloves and a mask will distribute communion elements to each car on a disposable plate. Hold on to these elements as we will commune together during the service. *The package is double sealed—the wafer is under the top seal and the juice is under the bottom seal. Assistants will be here to guide you to a parking place.*

When:

Sunday at 9:30 AM (prelude music at 9:10 AM)

How to Tune In:

Set your radio to station 98.1 FM when you arrive. The FM signal is short range, so you will need to be in the FAB parking lot to hear the service on the radio.

What to bring:

You will need to print a bulletin to bring. There is a link to the bulletin on the gslc.com website. A limited number of copies will be placed outside the church office on a table by Friday at noon.

GUIDELINES AND SAFETY RULES

- You are welcome to start your car during the service or leave it running if necessary.
- If you drive a large or tall vehicle, please be considerate by parking in a farther row back if possible to avoid blocking others from seeing worship.
- No one (other than worship leaders and assistants) can get out of the car once you enter our property, either before, during, or after the service. No yard chairs.
- Please, no physical greeting from car to car.
- The playground is off limits and locked.
- Entry to the buildings will not be available (no restroom use).
